

UNIVERSITATEA DE STIINTE AGRONOMICE SI MEDICINA  
VETERINARA BUCURESTI  
FACULTATEA DE BIOTEHNOLOGII

**Facultatea de Biotehnologii/Faculty of Biotechnologies**  
**Departamentul de Biotehnologii/Biotechnologies Department**

**Descrierea postului**

**Conferentiar, pozitia 6:** cursuri si lucrari practice la disciplinele Enzimologie generală si Metaboliți microbieni și vegetali

**Associated professor, position 6:** Courses and practical activities (laboratory) for General Enzymology and Microbial and Plant Metabolites.

**1. Tematica de concurs (pentru prelegere)**

- Specificitatea enzimelor / Enzymes specificity
- Inhibitia enzimatica / Enzymes inhibition
- Aplicatii ale enzimelor in obtinerea biocarburantilor/Use of enzymes for obtaining biofuels
- Metaboliti secundari cu structura fenolica/Secondary metabolites with phenolic structure
- Micotoxine / Mycotoxins
- Insecticide din surse vegetale si microbiene / Plant and microbial insecticides
