

Europass Curriculum Vitae

Personal information

First name(s) / Surname(s)	Alexandru Filip VLADIMIRESCU
Address(es)	Street Pop de Basesti No. 42, Sect. 2, Bucharest, ROMANIA
Telephone(s)	
Fax(es)	None
E-mail	alexandruvl@yahoo.com ; (personal address)
Nationality	Romanian
Date of birth	11.04.1970
Gender	Male

Mobile: +407246170840

Work experience

Dates	01 March to present day
Occupation or position held	Senior Researcher
Main activities and responsibilities	Head of Medical Entomology Laboratory
Name and address of employer	NIRDMM CANTACUZINO
Type of business or sector	Public Health, National Defence
Dates	24 April 2017 to present day
Occupation or position held	Senior Researcher (SR I)
Main activities and responsibilities	Research coordinator
Name and address of employer	Military Medical Research Center (CCSMM)
Type of business or sector	Research, National Defense
Dates	21 July 2016 – to 20 April 2017
Occupation or position held	General Manager
Main activities and responsibilities	General Manager & President of Administration Council & Member of Scientific Council
Name and address of employer	National Research Institute „ CANTACUZINO” ; Splaiul Independentei 103-105, Sect.5 Bucharest, ROMANIA
Type of business or sector	Research
Dates	20 September 2015- to 20 July 2016
Occupation or position held	Senior Researcher (SR I)
Main activities and responsibilities	Research coordinator
Name and address of employer	Military Medical Research Center (CCSMM)
Type of business or sector	Research, National Defense
Dates	April-September 2015
Occupation or position held	Scientific Director
Main activities and responsibilities	Research Management
Name and address of employer	National Research Institute “CANTACUZINO”
Type of business or sector	Health/Research/Education
Dates	From 26.05.2015 -03.06.2015 and 27.07.2015-04.08.2015
Occupation or position held	General Director
Main activities and responsibilities	General Manager
Name and address of employer	National Research Institute “CANTACUZINO”
Type of business or sector	Health/Research/Education
Dates	From 2010 to 2015
Occupation or position held	Principal Biologist, Scientific Researcher I, Head of Department-deputy
Main activities and responsibilities	Activities in diagnostic and research and development in the Vector-borne Infections and Medical Entomology field (in particular in tick-borne pathogens) by molecular biology techniques
Name and address of employer	National Institute of Research-Development for Microbiology and Immunology “Cantacuzino”
Type of business or sector	Health/Research
Dates	From 2004 to 2010

Occupation or position held	Principal Biologist, Scientific Researcher II
Main activities and responsibilities	Activities in diagnostic and research and development in the Vector-borne Infections and Medical Entomology field (in particular in tick-borne pathogens) by molecular biology techniques
Name and address of employer	National Institute of Research-Development for Microbiology and Immunology "Cantacuzino"
Type of business or sector	Health/Research
Dates	From 1999 to 2004
Occupation or position held	Specialist Biologist
Main activities and responsibilities	Activities in diagnostic and research and development in the Vector-borne Infections and Medical Entomology field (in particular in arboviruses – West Nile virus) by molecular biology techniques
Name and address of employer	National Institute of Research-Development for Microbiology and Immunology "Cantacuzino"
Type of business or sector	Health/Research
Dates	From 1996 to 1999
Occupation or position held	Biologist
Main activities and responsibilities	Activities in diagnostic and research and development in the Medical Entomology field (in particular in mosquito genetics) by molecular biology techniques
Name and address of employer	National Institute of Research-Development for Microbiology and Immunology "Cantacuzino"
Type of business or sector	Health/Research
Dates	From 1995 to 1996
Occupation or position held	Junior Biologist
Main activities and responsibilities	Activities in diagnostic and research and development in the Medical Entomology field (in particular in mosquito genetics) by molecular biology techniques
Name and address of employer	National Institute of Research-Development for Microbiology and Immunology "Cantacuzino"
Type of business or sector	Health/Research
Dates	From 1994 to 1995
Occupation or position held	Biologist, Scientific Researcher
Main activities and responsibilities	Activities in quantification and behaviour of nucleic acids, using UV spectrophotometry
Name and address of employer	S.C. BIOTEHNOS S.A.
Type of business or sector	Research

Education and training

Dates	From 1996 to April 2003
Title of qualification awarded	Doctor in Biology
Principal subjects/occupational skills covered	PhD Thesis: Contributions regarding cyanobacteria and green algae genome organization and their biotechnology Investigations for cyanobacteria DNA plasma; Transmission Electron Microscopy and molecular studies regarding a fresh-water <i>Enteromorpha (Ulva) intestinalis</i> isolate; Studies regarding the spheroplasts from cyanobacteria and the protoplasts from green algae
Name and type of organisation providing education and training	University of Bucharest, Faculty of Biology
Level in national or international classification	Graduation: <i>Magna cum laude</i>
Dates	From 1989 to 1994
Title of qualification awarded	Graduate student - Biology
Principal subjects/occupational skills covered	Graduation Thesis: The study of pTi and pRi plasmids from <i>Agrobacterium tumefaciens</i> and <i>Ag. rhizogenes</i> and their genetic transformation potential in higher plants Gene transfer, using pTi and pRi engineered plasmids, to model plants: <i>Kalanchoe daigremontiana</i> , <i>Datura innoxia</i> , <i>Nicotiana tabacum</i> ; Cultivation of <i>Agrobacterium</i> and <i>E. coli</i> bacteria; Plasmid isolation; Genetic transformation of bacteria; Biochemical analysis (opines) in transgenic plant tissue
Name and type of organisation providing education and training	"Ovidius" University of Constanta, Faculty of Natural Sciences and Agriculture

Level in national or international classification

Graduation mark: 10/(min. 1 – max. 10)

Personal skills and competences

Mother tongue(s)

Romanian

Other language(s)

Self-assessment

European level (*)

English

French

Understanding				Speaking				Writing	
Listening		Reading		Spoken interaction		Spoken production			
C1	Proficient user	C1	Proficient user	C1	Proficient user	C1	Independent user	C1	Independent user
B1	Independent user	B1	Independent user	B1	Independent user	B1	Independent user	B1	Independent user

(*) [Common European Framework of Reference for Languages](#)

Social skills and competences

- team work abilities (come from working in a large collective) and dependability;
- strong confidence (from a solid theoretical and practical knowledge);
- good communication skills (acquired at the workplace and private interpersonal relationships);
- excellent presentation skills (gained from the scientific manifestations I took part in);
- able to manage and resolve conflicts (I have to manage a team of nine scientists and auxiliary personnel);

Organisational skills and competences

- good experience in project and team management (I managed five research projects as director or responsible and I am currently deputy head of a research department)
- good decision maker, with multi tasking abilities (from the experience in conducting various research projects);
- timeline driven and proactive behaviour (gained through my work experience in research projects);
- analytical thinking and attention to details (obtained through laboratory work);

Technical skills and competences

- Molecular Biology: DNA and RNA isolation, agarose and polyacrylamide gel electrophoresis of DNA, restriction digestion of DNA, conventional and real-time PCR (SYBR-green and TaqMan probes chemistry, qPCR), dye terminator sequencing, RLB (reverse line blotting), microarray.
- Biochemistry: UV-VIS Spectrophotometry and Fluorimetry Quantitative and Qualitative estimation of nucleic acids; SDS Gel Electrophoresis.
- Microbiology: culture analysis of bacteria, cyanobacteria and green microalgae
- Microscopy: stereomicroscope examination of medically important insects and arachnids, microscopic examination of fresh culture and stained bacteria (bright field, dark field and fluorescence optical microscopy, TEM and SEM), and seaweeds, microscopic examination of fresh culture and stained cyanobacteria, macro- and micro-algae (bright field, dark field and fluorescence optical microscopy, TEM and SEM).
- Bioinformatics: nucleotide sequence alignment (CLUSTAL, BioEdit, BLAST), restriction pattern analysis (NTSYS). Statistics for Epidemiology and Outbreak: STATA v.12
- Phycology: Identification of micro and macro-algae (including seaweeds) by classical identification keys and molecular approaches (DNA sequencing), photobioreactor (10L) and raceway pond cultivation for *Spirulina (Arthrospira) platensis*. Lab. scale cultures for micro-algae as: *Chlamydomonas*, *Scenedesmus*, *Chlorella*, *Botryococcus*, *Dunaliella* and *Spirulina (Arthrospira)*, *Synechocystis* and *Synechococcus* as cyanobacteria and *Ulva*, *Enteromorpha* (actual *Ulva*) and *Bryopsis* as seaweeds.

Computer skills and competences

- thorough knowledge of Microsoft Office™ applications Word™, Excel™ and Power Point™;
- advanced user of Microsoft Access™;
- frequent user of bioinformatics software and search engines (BioEdit, BLAST, NTSYS);

<p>Skills, certificates of Achievements for:</p> <p>-.</p>	<p>-Statistics for Epidemiology and Outbreaks: STATA v.12</p> <ul style="list-style-type: none"> • Basic Security in the Field, certified by UNDSS (United Nations Department of Safety and Security), 4 February, 2015. • Advanced Security in the Field, certified by UNDSS (United Nations Department of Safety and Security), 5 February, 2015. • International Transport of Infectious Substances, certified by ECDC and WHO ISST, February, 2015.
<p>Other skills and competences</p>	<ul style="list-style-type: none"> - Meteorites - Paleontology & Mineralogy - Arms and Armors - Painting and drawing; - Interior design.

Training & Fellowships

- **International Course on Limnological Bases of Lake Management.** 1993, 11-23 Oct. Balaton Tihany, Hungary. ILEC-UNEP and Hungarian Acad. of Sciences.
- **Practical Course on Plant Transformation.** 1996, 4-15 Nov. New Delhi, India. International Center for Genetic Engineering and Biotechnology -ICGEB New Delhi.
- **Application of PCR in Epidemiology.** 1997, 17-22 Jan. Bucharest, Romania. Cantacuzino Institute & Pasteur Institute France.
- **Cours de Formation Post -Universitaire dans le Domaine des Sciences de la Vie-Discipline de Microbiologie.** 1999, 8-10 Nov. Bucharest, Romania. L'Ambassade de France en Roumanie, Ministère Français Des Affaires Etrangères, Ministère Roumain De La Santé, Univ.Paris-Sud-UPS, Université de Bucharest.
- **Fellowship in The Plant Department,** University of Oxford, U.K. 2001, 1-31 Oct. Oxford, U.K. St. John's College, Oxford. Offered by the Oxford Colleges Hospitality Scheme and the Soros Foundation.
- **Fellowship in The Natural History Museum (NHM),** London, U.K. 2003, 29 Jun-26 Jul. London, U.K. N.H.M. grant.
- **Real -Time PCR Practical Course.** 2006, 4-8 April. Munich, Germany. EDEN grant.
- **Real-Time PCR Practical Course.** 2005, 1-3 December. Toulouse, France. Cepheid Europe.
- **Stratagene University.** 2007, 3-7 November. San Diego, USA. STRATAGENE-AGILENT.
- **Reverse Line Blotting (RLB).** 2008, 7-14 December. Neuchatel, Switzerland. EDEN grant.
- **Stratagenes Bioreagents Curriculum.** 2008, 27 October, Waldbronn, Germany. Agilent Technologies.
- **IDO Genomics Technical and Sales Training.** 2009, 23-24 March, Waldbronn, Germany. Agilent Technologies.
- **EPIET/EUPHEM Introductory Course.** 2014, 29 September-17 October, Spetses, Greece
- **Outbreak Module (From Data Analysis to Communication of Findings).** 2014, 8-12th December, Course organized by PAE German FETP and EPIET/EUPHEM, Robert Koch Institute, Berlin, Germany.
- **Biorisk & Quality Management.** 2015, 16-20th February, Course organized by ECDC and WHO, Stockholm, Sweden
- **Initial Management in Public Health Microbiology.** 2015, 9-13th February, Course organized by ECDC, Stockholm, Sweden.
- **The Pertussis Acellular Vaccine.** 2015, 29-30th January Symposium Organized by NIRDMI „Cantacuzino” and RSM (Romanian Society for Microbiology), Matei Bals Institute, Bucharest, Romania.
- **EPIET/EUPHEM Multivariable Analysis Module.** 2015, 23-27 March, Organised by Austrian Agency for Health and Food Safety (AGES), Vienna, Austria.
